

The Learning and Cultural Curve, Audience Development & Arts Programme - Slough Borough Council

You are invited to an Open Forum Meeting on:

Tuesday 4 June 2013
West Wing Arts Centre, Stoke Road, Slough SL2 5AY

There will be two sessions: 14:00 to 15:00 and 19:00 to 20:00

Refreshments provided

This will be an exciting opportunity to learn about how your communities can be involved in shaping a proposed programme of arts and cultural activity in the build up to and for the opening of the new Learning and Cultural Curve facility.

Please confirm your attendance by email to: poppy@artreach.biz by Friday 17th May indicating which session you are able to attend and giving your full name, position, organisation and contact number.

The new Learning and Cultural Curve is to be designed and delivered for the people of Slough. It will be Slough's new learning and cultural centre and will bring the Heart of Slough scheme together by housing a new library, education facilities for adults, a café and a cultural centre for the town.

The aim is to embrace, develop and celebrate the diversity of Slough communities through a vibrant programme of arts and audience development, leading up to the opening of the new facility and we would like your input on how this programme might look. This will help us to submit strong funding applications for support.

Diary Dates!

Following the Open Forum Meeting there will be a series of smaller, focused group sessions to follow up discussions to further explore the type of activities your groups and communities would be interested in. This is intended to help build and shape a programme that has real ownership and partnership. We hope that you might attend one of the following sessions:

Tuesday 11th June 11:00 to 12:30 Central Library, Slough
14:00 to 15.30 Central Library, Slough

Monday 17th June 11:00 to 12:30 and 14:00 to 15.30 West Wing
